## □ New playground system! □ By Erin

We have started a new playground system at lunchtimes...

Graffiti: Paper and pens are in the box. Only use the three tables closest to the grass

Grass 1: The left side of the grass only. Footballs will be taken out. Also, there is tidying things too. Bring wellies

Grass 2: The right side of the grass only. The obstacle course can be used. Footballs will be taken out. Bring wellies

Bikes: Bring your bike to school. On the top of the grass

Scooters: Go your scooters on the right of the cement.

Craze tables: Trade your cards here. The tables near the scooters.

Footloose Friday: Dance to your favourite tunes! Only on Friday.

□ We think this a great idea, to keep people entertained and stop fights. We hope you enjoy the new system too!
