

Primary 1 and 2 pick-up and drop-off

As a result of feedback from our quality improvement officers this week, we need to make changes to our Primary 1 pick up routine. This is for the safety of our nursery children.

Drop Off - Primary 1

Please continue to drop off in the infant playground via the nursery garden. Parents and carers should exit via the extension gate, not going through the garden again.

Pick Up – Primary 1

NO LONGER PERMITTED TO PICK UP VIA THE NURSERY GARDEN

Primary 1 parents should now enter the playground at 2.55pm, via the extension gate. Walk around the school to get into the infant playground. You should then exit the school via the same way. Do not enter the playground earlier than 2.55pm as classes can be using this as part of their learning time.

Primary 2

Primary 2 should continue to walk round to their door independently. At pick up time, P2 parents are welcome to come into the path by the new bike shelter to ease congestion at the extension gate. This would help since we are adding 60 P1 parents to this gate too.
